From this survey could you make a guess of its purpose?

how women are sexualised and represented in videogames

Choosing avatars based on sexuality

Portrayal of females, and how sex sells, in games.

Femmunizzumu

A test to see if people prefer the exaggerated female forms portrayed in video games.

i'd guess it was about clothing and sexualisation

To see what avatar genders are drawn to and to try and see why people view and create avatars in the way they do.

the myth of Oversexualisation of women in games

Something about what kind of clothes women wear in video games

Comments or Suggestions

Maybe a second survey based on the male form to see if similar results occur?

I am not that keen on the Panda with human clothes

I see what your trying to do mate but you need to also make it clear that in some games the least armour a woman has the more protected she is, this essay of yours is a double edged sword man, you're playing with fire 🤔🤔🤔

Don't like sexualised pandas
